

# The Cameron Herald

since 1860

and CENTINEL

VOLUME NUMBER 87

CAMERON, MILAM COUNTY, TEXAS, THURSDAY, FEBRUARY 20, 1947

NUMBER 43

The Commissioners Court for Milam County has elected to continue the office of Service Officer for Veterans. Two years ago when this service was not available the American Legion took the lead and convinced the court that such an office would be necessary.

Since that time the Federal Government through the Veterans Administration in Washington, has established a branch of the service in Cameron to serve the veterans and have assigned adequate personnel to take care of, all the needs of the veterans.

We have no intention to belittle the work or the good aims of those who are responsible for the office of the county service officer, but in the interest of economy, it occurs to The Herald, that such an office and such an employee is in fact a duplication of activities already established and financed by the Federal Government.

This is said with the assurance that we admit there may be some phases of the work we do not understand. It goes without argument that it is hardly necessary to have two systems of service for veterans in Milam county. The maintenance of the Service Officer will entail some \$5000 over the period of two years, the term to which he has been named.

One of the exasperating failures of the Veterans Administration has been the lack of adequate information when sought by veterans, especially with reference to on the job training and compensation for education. This may not be a reflection on local agencies of the Administration but so far as the Veteran is concerned the results are the same. Many men who served in the armed forces have taken jobs on the advice of the Veterans Administration only to lose them when it was found new regulations or those already in effect were not accurately interpreted to begin with.

In the meantime it appears that the Commissioners Court may have to ask something very special to get proof of justification for the setting up of what appears from this seat a duplication of activities in this county.

## BAPTIST LET CONTRACT FOR STUCCO ON CHURCH

Contract for stucco work on the Baptist church was authorized here Sunday by the congregation, it was announced by Lested L. Morriss, pastor.

The vote indicates agreement and perfect co-operation in the present building program. Rev. Morriss uses a speaker system to reach the educational building and the main church and had to take two votes as the auditorium was overflowed. There was not a dissenting vote.

The new work contemplates plastering with stucco material the old church and annex to match the educational building.

Rev. Morriss is carrying out a progressive, far reaching religious program through his church and has cooperation. The stucco work will cost about \$1650. Recently contract was let to renovate the auditorium.

## Truman Will Be In Waco Four Hours

WASHINGTON, Feb. 13—President Truman is expected to arrive in Waco about 10 a. m. (CST) March 6 to receive an honorary degree of doctors of law from Baylor university the office of Rep. Poage of Waco said today.

Poage's secretary said that plans now call for a luncheon at the university after the degree ceremonies, which are tentatively set for 11 a. m. The president's plane is scheduled to leave Waco at 2 p. m.

Willis Dismukes who is soon to open and manage a new drug store in Cameron, spent several days last week in Dallas on business.

Mrs. J. B. White is in Newton Memorial Hospital, going there early Friday morning.

## DEFENDANT HAULED TO COURT IN AMBULANCE

George Andrews, charged by indictment with the murder of his nephew, Ernest Andrews, was hauled to the District Court room in mid-afternoon Monday in an ambulance from Rockdale, on order of District Judge John Watson after he had over-ruled a motion for continuance of the trial by defense attorneys Camp & Camp.

Andrews was in the court room Tuesday morning at 9:30 when court was resumed.

Sheriff Carl C. Black was instructed to bring Andrews to the court room following the refusal of the judge to postpone the trial. County Attorney Bill Morrison contested the motion for continuance with the claim that he believed the defendant able to appear for trial. The forenoon was consumed in argument over the motion to continue before the court.

Dr. John Richards of Rockdale who attended Andrews was called to testify as to the condition of the defendant. His testimony was that Andrews is ill and in his opinion not in condition to stand trial.

Dr. Clifford G. Swift, Cameron physician, was also called and by the state. He testified that Andrews is able to stand trial. Similar testimony was given by Dr. T. Leland Denson, Cameron physician.

The court proceeded to trial of the case when the court opened Tuesday morning. Selection of jurors was under way but many were excused. It was estimated that about one third of the panel would be exhausted by excuses which were allowed. Additional jurors were certain to be summoned.

Andrews is said to be suffering from a heart ailment of some years standing. In his testimony Dr. Swift said that the defendant would be able to stand trial, in his opinion, now and possibly better than at some future date, depending upon his condition over a period of time.

Andrews was charged with murder following his arrest on October 5, 1946. The charge grew out of the shooting of Ernest Andrews, his nephew who had engaged in a fight with Newton Andrews, his son.

Ernest Andrews was shot and killed on a business street in Rockdale after he had slashed Newton Andrews with a knife. The cutting occurred after the men had fought. George Andrews, father of Newton Andrews did not engage in the fight between the men but stood by and observed the difficulty. When Newton Andrews renewed the fight and cut Ernest Andrews the shooting followed.

After he was shot several times, Ernest Andrews started up a stairway to a doctor's office but fell back and his body was picked up on the sidewalk at the entrance.

Newton Andrews was taken to a hospital in Temple where he was treated. He was also arrested and is under indictment for aggravated assault. According to information Ernest Andrews was severely beaten in the fight.

The case is attracting a great interest, especially among the people in Rockdale and surrounding community.

The District Court room was crowded to overflowing Tuesday morning when selection of jurors got under way.

## Prison Cruelties Are Bared By Pen Chaplain

HOUSTON, Feb. 17—The Rev. E. W. Cofer, chaplain for the Texas prison system, told a Baptist pastor's conference here today that some prison inmates are treated worse than a human beings would want to see an animal treated.

"This statement will probably cost me my job as chaplain," he commented.

Two different prison system managers have struck him for protesting against the beating of prisoners he said.

Maj. Douglas Stakes, manager of the Texas prison system, reached by telephone at Huntsville, declined any comment on the minister's statement "until I've had time to investigate thoroughly."

He also would not comment on the appointment of a committee by the conference to investigate the prison system.

FRED M. SHAW  
TP&L Conservationist

## NOTED FARM WORKER IS EMPLOYED BY TP&L

To assist its farm and rural customers, Texas Power & Light Company has employed Fred Marshall Shaw, distinguished agronomist, to serve as Conservationist. Mr. Shaw who recently was awarded a medal by the French Ministry of Agriculture for outstanding work in assisting the French government in revitalizing agriculture following the war, will work with existing agricultural agencies and other interested groups in solving conservation problems, according to John W. Carpenter, president of the Company.

"It has always been the policy of Texas Power & Light Company to help develop the territory it serves," said Mr. Carpenter, "and in the state of Texas, prosperity depends basically upon the prosperity of agriculture. In securing Mr. Shaw to serve as Conservationist, the Company hopes to help contribute to the long-range development of better farming practices which will assure Texas farmers of larger incomes and will also conserve Texas' agricultural resources for the future."

## MOTION TO CONTINUE IS CONTESTED BY STATE

When the case against George Andrews of Rockdale, charged by indictment with the murder of Ernest Andrews, his nephew, was called in district court early Monday defense attorneys Camp & Camp moved for a continuance on the grounds that the defendant is ill.

Andrews was not in the court room and was reported to be ill at his home in Rockdale.

County Attorney Bill Morrison moved to contest the motion before Judge John Watson, presiding judge and the jurors were told to leave the court room while the motion was being heard.

The case was postponed once before due to the illness of Newton Andrews, son of George Andrews, who had engaged in a fight with Ernest Andrews on a street in Rockdale on October 5, 1946 and the shooting followed.

Testimony of two doctors were taken. They are Dr. John Richards of Rockdale and Dr. Clifford Swift of Cameron.

A special venire of 100 men were waiting outside on the proceedings in the court.

County Attorney Morrison lost little time in contesting the claim of the defense attorneys and asked for proof that the defendant is ill at his home, and unable to be in the court room.

A ruling on the motion was due sometime during the forenoon by Judge John Watson.

Andrews shot and killed Ernest Andrews after the latter had engaged in a fight with his son, Newton Andrews. According to information, Newton Andrews was shot after the fight had ended and in which he was severely beaten.

Mrs. M. E. Blake is a patient in the Newton Memorial Hospital. Mrs. Blake is the mother of F. G. Blake.

William Ernest Jacob, small son of Mr. and Mrs. E. E. Jacob of Minerva is ill and a patient in the Newton Memorial Hospital.

Grace Plachy, small daughter of Mr. and Mrs. Frank Plachy, Jr., of Temple, is ill and under treatment in the Newton Memorial Hospital.

# 60 JURORS CALLED

## CAMERON HAS PLANS?

### ANDREWS CASE MAKING SLOW PROGRESS HERE

A venire of 60 men was ordered late Wednesday by Judge John Watson in District court here in the trial of George Andrews, charged with murder in connection with the fatal shooting of his nephew, Ernest Andrews in Rockdale on October 5, 1946.

Of the venire of 100 men summoned to appear on Monday morning when the trial got under way, none remained to be questioned about their qualifications for service on the jury and only 8 jurors had qualified.

The jurors accepted up to adjournment time Wednesday are: No. 1 L. F. Gregory, 2 Frank Tomek, 3 Guy Chandler, 4 Philip Reimer, 5 W. H. Lucas, 6 Will Lake, 7 J. Y. Logan, 8 George Newton.

When the special venire was exhausted Judge Watson instructed Carl Black, sheriff, to summon 60 men. The job of contacting the 60 prospective jurors was completed during the night and early Thursday morning. Judge Watson excused all witnesses in the case until 9:30 Thursday morning and later in the day the court adjourned until 1:30 p. m. Thursday.

From the 60 man venire four additional jurors will be sought. Many of the witnesses did not know that the court had adjourned until Thursday afternoon.

There are some 15 out of county witnesses. It was thought improbable that testimony in the case would begin before Friday morning, if the jury is completed. Only the afternoon was available if the entire day was to be expended in getting a jury.

Andrews who was brought to the court room on a stretcher after the court had over ruled a motion to continue due to the illness of the defendant, was no longer being carried in. He is walking up the stairs and takes his place punctually by his attorneys.

County Attorney Bill Morrison contested the motion to continue the case and after doctors were heard the court ordered Andrews to trial.

## BURIED AT SAND GROVE MRS. IDA MATHEWS IS

Funeral services for Mrs. Ida Mathews were held at 3:30 p. m. on Tuesday, February 4 at the family residence at Sand Grove with interment in the Sand Grove Cemetery.

Ida Mathews died at the home of her son, Walter Mathews near Milano on February 3. She had been critically ill for several years.

Mrs. Mathews was born and reared at Giddings in Lee county, on January 25, 1858.

In 1884 she was united in marriage to S. W. Mathews and in 1888 came to Milam county. To them were born 6 children. Her husband preceded her in death in 1900. Two children died in infancy and a son Jesse Mathews died in 1918. She was a member of the Church of Christ.

Surviving are three children as follows: Mrs. Maude Silvey of Gause, Walter Mathews and Mrs. Mae Hurt, both of Milano. Twelve grand children and 15 great grand children survive.

Services were conducted by Rev. Frain of Rockdale with the Phillips & Luckey Funeral Home directing. Pall bearers were: Cecil and Jesse Roy Hurt, Elmer Mathews, Jesse Mitchell, Johnnie Diver and Wesley Wood.

Miss Vivian Johnson, home demonstration agent, has returned from a convention held in Dallas.

Mr. and Mrs. Tom Stidham of Maysfield were recent guests of their son and wife, Mr. and Mrs. Jack Stidham.

Frankie Kamenicky visited in Waco Saturday.

## Robberies of Marble Machines Are Solved

John Lewis, negro, was arrested Friday night in the cafe and bar of Marshall Chambers and has been charged with burglary.

City officers Newt Johnson and Marshall Terry arrested the negro who was discovered in the building. Several shots were fired before the negro came out.

Marble machines in the place have been robbed a number of times in recent weeks. The robberies had become somewhat of a mystery but now have been solved.

The negro was charged with burglary and was turned over to the office of the county attorney, said City Marshal Jim McGoldrick.

## THREE ARE INJURED IN NIGHT WRECK IN CITY

Three men were injured here around midnight Wednesday in a car wreck on North Travis street. All were taken to St. Eduard's Hospital for treatment.

The injured are R. G. McLeod, employed by the Santa Fe Railway, Alured Dusek and Johnnie Gelner.

According to officers McLeod had backed out of his garage and had turned south on North Travis preparing to go to his work at the Santa Fe when the car driven by Dusek struck the rear of his car.

Both machines were badly damaged. Dusek was the more severely injured, having severe lacerations as his head struck the windshield of the car. All left the hospital after receiving treatment.

## HEARNE STRUCTURES TO BE MOVED TO MILAM

DALLAS—Forty military buildings at the Hearne prisoner of war camp have been awarded to the Milam County School Board by the office of real property disposals of the Dallas regional office of War Assets Administration. Announcement of the award was made by C. N. Townsend, Jr., chief of institutional branch of the WAA at Dallas.

The structures will be used in white and negro schools in the Burlington, Sharp, Buckholts, Yarrellton, Hoyt, Two Mile, Jones Prairie, String Prairie, Clarkson, San Gabriel, Baileyville and Briary common school districts, according to information furnished WAA by Chas. M. Hicks, Milam county school superintendent. The Milam County Veterans Vocational School will likewise benefit by the building transfer, it was said.

A discount of 95 per cent was allowed on barracks, warehouses, administration and recreation buildings, it was disclosed. A 40 per cent discount was allowed on latrines.

## Willard Skelton To Be Presented In A Trombone Number

SAN MARCOS—Willard Skelton of Cameron, outstanding student of Southwest Texas State College band, will be presented in a trombone novelty number on two special programs scheduled in the near future by the band. These programs will be held in San Marcos on Thursday, February 27, and in Yoakum on Thursday, March 6.

Mr. Skelton will be assisted in the novelty number, entitled "Two Pairs of Slippers," by trombonists Doris Fowler of Tomball, Robert Edge of San Antonio, and Max Glazner of Fischers Store.

Albert Rettig of Cameron and now a student at A&M College, was on the winning team in intermural football at the college. The team has just won the flag and was undefeated. Albert played football at Yoe Hi School, a half back.

## REICHERT TALKS ABOUT PROPOSED BOND ISSUE

B. F. Reichert, member of the Board of Aldermen, told the Cameron Rotary Club Wednesday, the government is planning to submit to the people a proposal involving a considerable expenditure for public improvements.

Mr. Reichert, guest of Leo Jackson for the luncheon, was the speaker. He said two things now being put forward are street paving and the conversion of the old grammar school at West 3rd and College Avenue into a municipal building.

At the conclusion of his talk he presented some rough sketches made by Mayor A. W. McCullin showing the proposed improvements to be made on the grounds of the old school.

There was no estimate on what the cost would be but it was understood that the matter has been thoroughly discussed.

A proposal to use the building for a municipal structure was made to the Planning Board by former Mayor Chas. C. Smith. The idea was rejected by the Board in its recommendation on the grounds that the cost would be prohibitive and after the money spent the city would have nothing of value. At that time an architect said the cost would be \$30,000. It would be more now.

The idea is not new. Others have advanced it. The city council never saw fit to consider the Planning Board Report which proposed a new municipal Building on the grounds now owned by the city in the extension of city central park. There were many other recommendations, including \$200,000 for street paving over a period of five years.

## LOCAL BANKS ARE NAMED COUNTY DEPOSITORIES

Cameron's two banks were named officially by the Commissioner Court on Thursday as depositories for county funds.

The county will receive one and one half per cent interest on daily balances.

The Citizens National Bank will secure two thirds of the deposits and First National one third.

Conn R. Isaacs, county auditor, said that the funds on deposit will average from \$100,000 to \$125,000. The rate of interest was regarded as good under present low rates. In many counties the rate is one per cent.

In the contracts the banks agreed to make loans to the county at 4 per cent if such funds are needed.

## Taylor Wins District Basketball Title

Taylor won the District Basketball Title, it was disclosed Saturday following victory over Rosebud.

Due to non-co-operating coaches and not a little stupidity it was not possible to get the final standing on all teams. It was even difficult to get results following games in the district. There is little popular interest in basketball in this area.

Taylor won 10 games and lost one. No reports were to be had from Georgetown and Franklin.

Here is the table which was compiled by Coach Leo Jackson:

	Won	Lost
Taylor	10	1
Cameron	8	3
Rosebud	7	4
Belton	6	6
Hearne	6	6

Mr. and Mrs. T. O. Bass of Houston, will spend the week end here with her mother, Mrs. Emma Butts, who will accompany them home for a few weeks visit.

Bundle Hegari, fine for feeding. 2 1/2 cents per bundle. Leland Green.

# Shake Brother, We Aint Ever

"A CALL FOR THAT CITIZENS COMMITTEE"

## Had The Like of 'Em Either

EDNA — Edna, of which Harry Mauritz is mayor, has called for bids on erection of a city hall and fire station and also an extension and improvement of the sewer and water system. Bids will be received up to 7:30 p. m., February 21. The city commissioners also have signed an agreement with the Central Power and Light Company for a modern street lighting system which will be installed in the near future. Edna has two distinctions: The city does have street lights. Now these are to be provided.

Mr. and Mrs. John C. Mayfield has as their guests the past week end their daughter, Mrs. T. N. Woods from San Saba, Mrs. Coe Powell of Dallas, Mrs. Vernon Mayfield and Mrs. Fred Cox and son from San Antonio.

Mrs. E. Willie has returned to her home in Cameron after a month spent with her daughter in Longview. Mrs. Coy Arledge spent the week end there to return her mother to Cameron.

## CHAMBER OF COMMERCE APPROVES HIS CONTRACT

Directors of the Chamber of Commerce on Tuesday night approved the committee selection of L. G. Smith to be manager of the chamber and to begin his work here on March 1.

Mr. Smith is at present assistant Agricultural Agent for Rusk county and stationed at Henderson. He is a graduate of A&M College.

Although the new budget does not provide funds for the payment of a manager the Directors are expected to re-arrange their finances to include the salary which will be in excess of \$2400 a year.

The date of the annual banquet has been set for Friday, March 14.

This week the annual ballot is being mailed out so that the members can name directors for the coming year. These directors along with the officers for the new year will be announced at the March 14 meeting. a Hybrid corn program.

Dr. C. A. Stevenson of the Scott & White Clinic in Temple and son, Bob, were in Cameron last week looking over the Indian Collection of J. B. White. He plans to return soon and spend a day in the camps of the county, being interested now in making a collection.

Mrs. E. A. Oliver who has been ill with pneumonia for the past several days is reported to be improving and is able to sit up some.

## EDMUND A. KOSEL IS BURIED AT CYCLONE

Funeral services were held for Edmund A. Kosel on Friday, January 31, at 10 o'clock at St. Joseph's Catholic church at Cyclone with Father M. O'Regan reading the requiem high mass. Rosary services were held Thursday night at 8:30.

Surviving, are his wife, Hilda, two sons, Monroe and Walter, a daughter, Mrs. Bernice Pfeiffer, his mother, Mrs. Ed Kosel, Sr., four sisters, Mrs. Alma Kasner, Mrs. Elsie Kaulfus, Mrs. Helen Kaulfus and Mrs. Annie Haedge, two brothers, Otto and Ed, Jr. His father, Ed Kosel, Sr., preceded him in death in 1942.

Pallbearers were Phil Krause, William Folschinsky, Arthur Geistman, William Kaulfus, Buddy Haedge and Melvin Kessler.

Nicholson Funeral Home of Rosebud was in charge of the arrangements.

Out of town relatives attending the funeral were Mr. and Mrs. Will Folschinsky and family, Mrs. Hubert Little, Mr. and Mrs. Emil Kessler, Mrs. Leroy Witte and Anne Rose and Melvin Kessler of San Antonio, Mr. and Mrs. Will Geistman of Littlefield, Mr. and Mrs. Alvin Geistman, Mr. and Mrs. Joe Kessler of Corpus Christi and Albert Geistman of Abilene, Texas. —Rosebud News.

## Mr. and Mrs. Walden Observe 50th Wedding Anniversary Feb. 9th

Mr. and Mrs. W. B. Walden celebrated their 50th wedding Anniversary, Sunday, February 9 from 3:00 to 5:00 p. m. at their home in Cameron. They were married at North Elm by Rev. D. Witt, Baptist minister. They have lived in Milam County for more than 50 years. Mrs. Walden is the former Amanda Richards.

During the day the following children and guests called to wish them many more happy years together: Cass Walden and family, Jack Jones and family, and Bruce Curtis all from Houston, and Mrs. J. L. York and Estelle York, Mr. and Mrs. John Brasier and daughter, Mrs. Lucy Clifton, Mrs. Victoria Green, Mrs. Clyde Copus, Mrs. Paul Heintz, Mrs. Sam Houston, Mrs. Tubby Price, and Mr. and Mrs. John Mayfield all of Cameron.

Delicious refreshments were served throughout the afternoon.

### Yarrellton News

Mrs. Sam Clark has returned from Houston where she attended the marriage of her daughter, Miss Doris Phipps.

Mrs. Jim Britton and daughter of Camp Hood, and Mr. and Mrs. Dock Walker and son of Oklahoma spent the week with Mrs. F. McCall.

Mr. and Mrs. Buster Griffin and baby spent Saturday night in the home of Mr. and Mrs. Homer Nabours.

Mrs. Addie Miller has returned to her home after visiting in Corpus Christi.

Mrs. Pat Colman, Sr. and Mr. and Mrs. Pat Colman, Jr. of Corpus Christi spent the week end in the Frank Barrett home.

Mr. and Mrs. Flake /Brooks and family of Freeport spent the past week end with relatives.

Mrs. Will Swanzy and Mrs. L. E. Lane of Milano visited in the home of Mr. and Mrs. B. L. Varner recently while their husbands attended the Lodge meeting in Yarrellton.

Miss Charlene Griffien has been absent from school due to illness.

Miss Nadine Boecker is reported to be improving at her home, after being a patient in Newton Memorial Hospital.

Mrs. Rosa Kemp Adams, of Houston, returned to her home after spending ten days here in the family Kemp Home. She was accompanied home by her brother, L. W. Kemp, who spent the week end here.

## Joy Ann Hefft Buried Late Saturday, Feb. 14, In Waco Cemetery

Funeral services for Joy Ann Hefft, 5 months old daughter of Mr. and Mrs. Alvin Hefft of Cameron, were held at 2 p. m. Saturday, February 15 at Eddy in McLennan county.

Joy Ann passed away in Cameron at 2 p. m. Friday, February 14, and the body was taken late Friday afternoon from the Green Funeral Home in this city to the old home at Eddy.

Interment was made in the Oakwood Cemetery in Waco Saturday afternoon. The baby had been ill for several days and was taken to St. Edward's Hospital. Thursday when her condition became critical.

Mr. and Mrs. Hefft have been residents here for about one year. He is employed with the Community Public Service Company.

## Whatley Grocery Has Message for Buyers of Food In Daily Herald

W. T. Whatley, Jr., of the Whatley Grocery has a message of importance to food buyers here.

He chooses the Daily Herald, now much larger and more widely circulated to tell the people about food buys at his store, long a popular grocery.

Mr. Whatley, a navy war veteran, is a good ad writer and to-day spot-lights what is best in better foods. The Daily Herald has buyer appeal and hundreds throughout the city and county read it each day to keep abreast with buying opportunities here.

**GENIUS BEHIND  
THE LIGHT...**

This month marks the 100th anniversary of the birth of Thomas A. Edison, genius, who, perhaps more than any other individual, advanced the standard of man's everyday living.

Edison's amazing list of accomplishments was the result of his imagination, plus initiative, toil and painstaking thoroughness. It is recorded that he made experiments testing more than 6,000 samples of bamboo fibres before he finally developed the correct carbon filament which made the incandescent electric light bulb practicable. And this is only one of more than 1,150 of his inventions that contribute to almost every phase of our modern life.

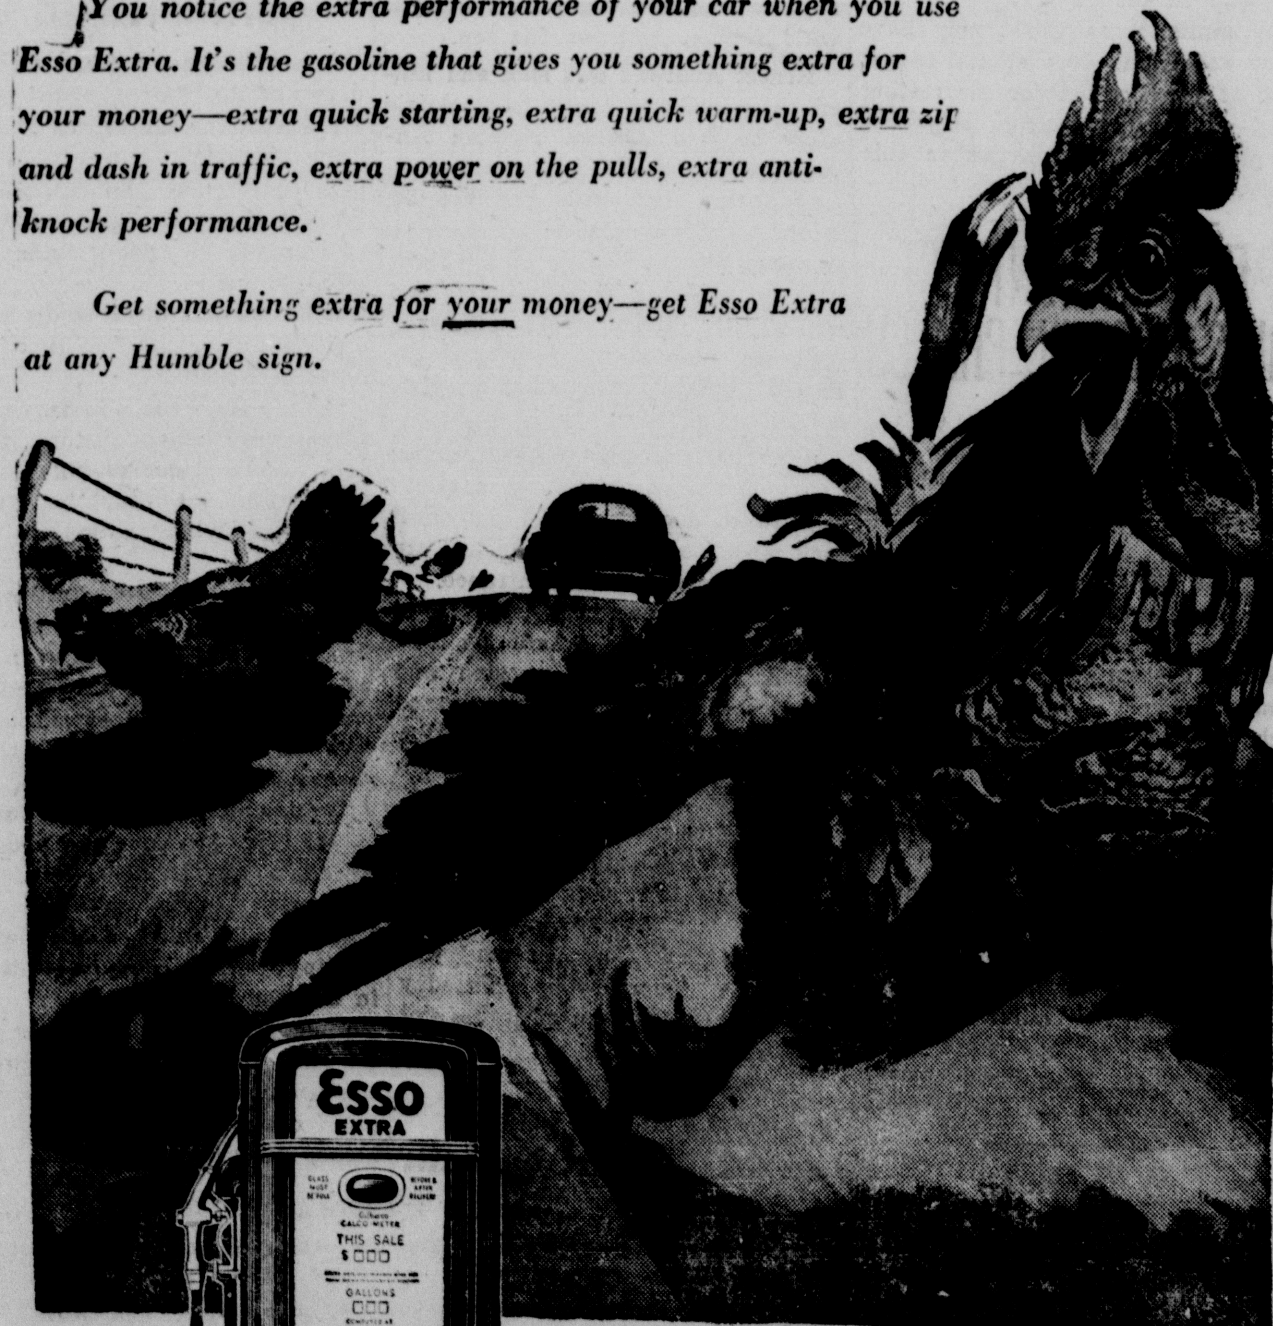

Imagination, initiative, toil and painstaking thoroughness are also the principal factors behind the dependable electric light and power service you are enjoying today. More than 2,500 Texas men and women make up the Texas Power & Light Company organization and aid in providing dependable, low-cost electricity to more than 200,000 customers in a 52-county area of North, Central and East Texas. This organization, while serving you today, is always planning and building for your increased electric service needs of tomorrow.

## FLYING NEWS

Monday, February 10 A. W. Mc-  
Cullin and Dwight Price flew to San-  
Antonio to visit relatives.

On Tuesday February 11, E. E.  
Geer, Dwight Price and C. O. Sanders  
formed Cameron Flying Club No. 2  
Mr. Sanders lives in Rosebud and  
Geer and Price live in Cameron. This  
club is open for three more mem-  
bers.

E. E. Geer made his solo cross  
country Saturday. This places him  
within a few hours of his private  
pilot's rating.

During the week the airport had  
several transient aircraft coming  
through going to different points in  
Texas.

Last week P. W. Gibbs of Camer-  
on registered under the GI flight  
training course offered at the Air-  
port. This makes a total of 8 GI's  
who are taking flying under govern-  
ment supervision. G. O. Pugh of  
Rockdale is taking the Commercial  
Flight Course under the GI Bill and  
Fred Bethea and R. Williams of  
Rockdale are taking private pilot's  
courses under the GI Bill.

Lester Williams and E. W. Korne-  
gay of Cameron also registered in  
the Private Pilots courses recently.

## Rotary Ann Night Is Fun Making Event Here

Members of the Rotary Club, their  
wives and guests, made merry in a  
big way Wednesday night.

It was annual Rotary Ann night  
and nearly one hundred were on hand  
for the supper and program in the  
Ada Henderson school with W. T.  
Hanes, toastmaster and with him  
Leo Jackson in arranging the pro-  
gram.

M. G. Cox, president of the club,  
presided with Chas. M. Hicks the  
Secretary performing his usual duties  
for it was regular meeting time as  
well.

Free pot plants were distributed to  
Rotary Ann visitors.

The program in which nearly every  
member of the club took part was  
reel off from a prepared script by  
Mr. Hanes. It ran the gamut of mirth  
from pistol shots to Hawaiian hula  
dances. Then there was a hat model-  
ing stunt in which the winner wore  
an inverted silver pitcher.

Funny songs and group singing,  
individual stunts and what not made  
up the program.

Proceeds from the supper went to  
the milk fund at the school and the  
supper was arranged by the Home  
Economics Class under the direction  
of C. L. Canady.

## Cameron Defeats Hearne Thursday

Cameron had a chance to tie for  
first place in District 32-A basketball  
Friday while Taylor was cinching a  
tie for the first place by defeating  
Belton 34 to 31.

All this will depend on whether  
Taylor can beat Rosebud. If so then  
Cameron and Rosebud on Tuesday  
night will be playing for second place.

Cameron defeated Hearne there  
Thursday night 33 to 25. The B  
Squad won 19 to 8. High point men  
in the district game were Provasek  
with 13 points for Cameron and Skip-  
per with 11 points for Hearne. In  
the B game Wilkerson was high with  
8 and Guynes for Hearne was high  
with 3.

Friday night schedule was: Belton  
at Franklin, Taylor at Rosebud and  
Hearne at Georgetown.

The earth would require almost a  
half-million moons to provide illu-  
mination equal to that of the sun.

Alvin Dusek has purchased the  
residence property of the late Ernest  
Eggert. The property is near the high  
school and includes two residences.

As late as the 19th century it was  
believed that stuttering could be re-  
lieved with surgery.

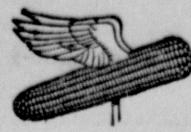

A one-dollar bill rarely is in cir-  
culation more than six months before  
it goes back to the Treasury to be  
replaced by another.

## Son Born To Engelke's In Houston January 29

Mr. and Mrs. Wilfred A. Engelke  
of Houston are the proud parents  
of a son born at 8:35 p. m. on Wed-  
nesday, January 29. He has been  
named Wilfred Joe Engelke and  
weighed 7 pounds and 10 ounces. He  
is the first great grandchild of W. O.  
Fisher of Hanover and Miss Vera  
Fischer is a Great Aunt of the baby.

Jim Hawk who resides in the  
Clarkson community, was in Camer-  
on Monday and became a reader of  
The Herald. He was one among  
the 100 men summoned as jurors in  
the George Andrews case.

A British heart specialist has found  
that the normal human heart is con-  
structed to beat about 2,500,000,000  
times which means a life span of 95  
to 100 years.

## 10 ways you can help yourself to good telephone service

Telephoning is easy. But more depends on the user than you perhaps  
realize. What you do when making or receiving a call often has a lot  
to do with how satisfactory that call is. Here are ten suggestions:

1. Before you call, make sure of the number.
2. Give the called party time to answer.
3. Speak directly into the mouthpiece.
4. Move the switch hook slowly up and down to recall or signal the operator.
5. Replace the receiver carefully when you have finished talking.
6. Answer calls promptly. It's courteous to do so.
7. Identify yourself. Not everyone recognizes you by your voice.
8. Space calls on party lines. If you have a series of calls to make, allow a few minutes between each one so others can use the line.
9. Keep calls brief on party lines. Other folks on the line will appreciate your thoughtfulness.
10. Avoid calling during busy hours if possible.

ONE IN A MILLION?

JOHN C. SCOTT

Believe it or not, but look well at this man for he is one in millions. John C. Scott, New York World War II veteran, is fighting like a Trojan to make the government stop paying him a pension. An eye injury is the point of contention, Scott claiming it happened before military service, the government insisting on paying a pension.

HYBRID CORN PLANTING URGED BY AGENT HERE

By planting their corn land to hybrid seed, Milam County farmers can expect a decided increase in yield over that of the native open pollinated varieties of corn, states J. W. Stufflebeme, Jr., County Agent. Experiment Station results definitely show that hybrid corn will outyield open-pollinated varieties if hybrids adapted to Texas conditions are used.

Some of the Texas hybrids which have given good results are No. 8, 12, 18, 20. These are yellow hybrids. The only Texas White Hybrid now in production is No. 9-W. It has given good results at the Temple Experiment Station.

Out of the 55,000 acres planted to corn in Milam county in 1946, approximately 10,000 acres was in hybrid corn. As there was very little or no hybrid corn planted in 1940 in this county, this figure is encouraging. It is believed that in the near future at least 75 per cent of the entire corn acreage in this and surrounding counties will be planted to hybrids.

One In Hospital and Three Fines Paid as Result of Fight

Three men were involved in a difficulty with city officers Saturday night and one man is in St. Edward's Hospital and fines were assessed by The Recorder of the Corporation Court, Mayor McCullin.

Ben Kennon, owner of the Night Spot, was struck with a revolver by Tilman Johnson, city officer while he was engaged in a struggle with City Marshal Jim McGoldrick.

The trouble occurred when the city Marshal, stopping at the Hrozek bar on a routine visit. E. D. Berger of Jonah in Williamson county, carrying a Bible, was told to clear out when the officers observed he was intoxicated. As the marshal sought to take Berger to jail after he had refused to leave, Kennon interfered and a fight resulted.

E. R. Mitchell who paid a fine for

intoxication struck McGoldrick and Kennon also attempted to strike the Marshal, according to the officers. Kennon and McGoldrick fell to the floor and the marshal sustained severe scratches and a black eye. Kennon was struck by the Marshal with a night stick and when Johnson arrived on the scene he hit Kennon with his pistol.

Berger and Mitchell and Kennon all have paid fines.

Mr. and Mrs. Jack Ingram of Cameron are the proud parents of a baby girl, born February 16, 1947 at the Newton Memorial Hospital. The baby weighed 8 pounds and 2 ounces at birth and has been named Johnnie Lee.

The playwright, George Bernard Shaw, had only five years of formal schooling.

Each year 500,000,000,000 matches are used in the United States.

TRIAL MAY GET UNDER WAY HERE THURSDAY

When court adjourned late Tuesday only four jurors had been selected in the George Andrews murder trial.

They are: No. 1 F. L. Gregory, No. 2 Frank Tomek, No. 3 Guy Chandler, No. 4 Philip Reimer.

County Attorney Bill Morrison said that there are 35 men left to question from the venire of 100 men summoned for the trial of the case which opened here Monday. Prospects were that jury might be obtained from the remaining men.

When the court resumed session at 9:30 Wednesday morning selection of jurors was the order of business.

Andrews is charged with murder in connection with the fatal shooting of his nephew Ernest Andrews in Rockdale on October 5, 1946.

The trial of the case was postponed before the turn of the year due to claimed illness of his son, Newton Andrews who is charged with a felony in connection with the same case. When the trial was opened here Monday morning, the defendant, George Andrews, was not in the court room. His attorneys Camp & Camp filed a motion to continue the case on what they claimed was the illness of their client.

County Attorney Bill Morrison, going contrary to the accepted order of things, refused to concede the defendant was unable to appear and contested the motion. He won his point and Andrews was brought to the court for trial. Judge John Watson over-ruled the motion to continue and the case got under way Tuesday when selection of jurors began.

Those close to the court room said it might be Thursday before the case would go to the testimony stage and the remainder of Wednesday might be consumed in the selection of 8 more jurors.

Very few men from south of the river are on the venire. Jurors may disqualify for a number of reasons and among them being too conversant with the facts in the case.

Billy Joe Michalka, student at St. Edward's University, at Austin will spend the week end in Cameron with relatives.

## FARM ROADS HALTED WAITING ON CONGRESS

Delegations seeking new farm-to-market construction got no encouragement from the state highway commission today.

We're waiting for congress to answer the \$64 question, Chairman John S. Redditt told the numerous groups seeking state and federal aid to construct all-weather roads in rural areas.

"The load is so heavy that we don't have the money to carry it," Redditt said.

He explained that Texas got \$30,000,000 from the federal government for a three-year farm-to-market road program. He said the state not only matched that sum but due to the rising cost of construction materials and labor was forced to add almost \$10,000,000 more.

"Not only that but we have to maintain all these roads," he said. "Before this program is completed it may cost the state close to \$45,000,000."

The three-year program calls for approximately 7,500 miles of farm-to-market roads. Through January, contracts had been let on 2,298 miles in 175 counties at a cost of \$21,921,000.

Texas leads the nation in rural road construction.

"But right now we don't know what to do," Redditt declared. From 75 to 80 per cent of our requests are for farm-to-market roads but we'll just have to wait and see if congress extends the program or if the legislature makes any funds available."

## Dean White and Miss Hallie Whisenant of Temple Are Married

Miss Hallie Whisenant of Temple and Dean White of Cameron were married in Cameron Friday, February 14 by Rev. L. L. Morriss, pastor at his study in the educational building at the church.

Oscar Schiller and Mary Ellen Werla were witnesses. The ceremony was a simple and impressive marriage rite.

Mrs. White returned to Temple where she is a Dental Technician in the Scott and White hospital and as soon as she can be replaced will move to Cameron. She was reared at Winchell in West Texas.

Dean White is manager of the Swift Theatres in Cameron, the Cameron and the Milam, having succeeded John Prude in that place.

He is a veteran of World War II having served with the Air Transport Command in England. He was in the service for over three years and received his honorable discharge from the service on January 18, 1946.

Born and reared in Cameron he has many friends here who join in congratulations and wish the newly married couple much happiness and are looking forward to the time when they can establish their home in this city.

## Walter Plocek To Open Friendly Tavern Here Saturday, February 22

Walter F. Plocek will open his new Friendly Tavern here Saturday, February 22, he announced early Wednesday morning.

Mr. Plocek who has previously engaged in business here for the past 12 years and who has been out of business for about one year, recently purchased this business site and constructed a new building.

The place will be known as the Friendly Tavern and Mr. and Mrs. Plocek will be in active management of the business.

The Tavern is located at 108 South Travis Street just south of the Wm. P. Carey Lumber Company. Mr. Plocek says he will serve short order lunches and that all popular brands of beer will be sold at prevailing retail prices.

Mr. Plocek asks his old friends and customers to pay him a visit. Free refreshments will be served on opening day.

Mrs. H. A. Kuzel and daughter, Mrs. John D. Sefcik and two children of Waco attended the wedding of Miss Caroline Salac in Cameron Tuesday morning. They also visited relatives and friends before returning to their homes in Waco.

North America is said to possess more than one-half of all the world's wealth, but members of Christopher Columbus' crew received only about \$2.50 a month.

Mr. and Mrs. Robert A. Harris of Texas City are the proud parents of a son born at a hospital in that city recently. The baby is the great grand son on Mrs. Robert A. Harris of Cameron.

## Reed Rogers Honored At Supper Arranged By Fidelity Union Ins. Co.

Reed Rogers of Temple was pleasantly remembered by friends there Monday evening with a surprise dinner at the Kyle Hotel.

Leslie Huff, branch manager for the Fidelity Union Life Insurance Company, arranged the dinner.

Mr. Rogers, after his discharge from the United States Navy with a long record of service in the Aleutian Islands and Alaska, became a representative of Fidelity Union and in 1946 led the field in the production of business.

As a result of his fine record Mr. Rogers has been promoted to be Branch Manager for the company and will have offices in Corpus Christi.

Reed was born and reared in Cameron and is the son of William R. Rogers.

## Former Local Pastor Heads New College At Beeville; Its SATC

BEEVILLE — The Selected Arts and Technological College has been designated as the name of the new four-year Baptist college to open in September at deactivated Chase Naval Airfield here.

The name was determined here Friday by the college's board of trustees.

Dr. W. R. White of Austin, who presided at the board meeting, and Dr. E. S. Hutcherson, college president and a former Houston pastor, announced that an athletic coach and staff will be named in the near future and that Baptists are planning a \$250,000 South Texas campaign for funds to be used in reconversion of the wartime naval auxiliary station for college use.

Dr. Raymond Caveness of Austin is dean of the new school.

Mrs. Bonnie Trnka of Caldwell is a surgery patient in the Newton Memorial Hospital.

M. E. Mitcham of Buckholts was a business visitor in Cameron Monday.

## RENT AND SUGAR WOULD REVERT TO OPEN MARKET

WASHINGTON—The house swung a double-edged economy axe on OPA today and price chief Max McCullough said that similar senate action would result in collapse of rent control and sugar rationing by Friday.

The house:  
1. Ignored OPA's plea for \$5,900,000 to continue its few remaining activities until June 30.

2. Voted to demand a refund of \$9,000,000 already in the agency's possession.

The twin blow to the already crippled price control and rationing program came when the house approved 320 to 25, and sent to the senate a \$139,360,000 deficiency appropriation bill—\$176,186,000 less than President Truman requested to keep several federal agencies operating until the end of this fiscal year.

McCullough said that if economy-minded senate republicans take similar action, "OPA must immediately stop functioning."

"It must stop rent control, all sugar rationing, all price control, all audits in connection with subsidy payments, eliminate all enforcement and compliance activities, and stop enforcing ceilings on housing built under veterans' priorities," he said.

McCullough said that if OPA is compelled to turn back \$9,000,000 to the treasury, its remaining funds would be sufficient to last only three days. He added that \$2,788,000 in

new appropriations would be needed if the agency hoped to continue operating until March 1—the earliest date it could be liquidated.

The house action came as a senate banking subcommittee prepared to write a bill that may contain authority for an immediate nationwide rent boost ranging from five to 15 per cent.

Besides turning down OPA's request for more money to last it until it expires automatically June 30, and demanding a refund of a substantial amount of the money now in its possession, the deficiency bill would bring activities of the civilian production administration to a halt at the end of the fiscal year instead of Dec. 31. It called on OPA to refund \$2,400,009.85 to the treasury.

The president had asked \$311,883,500 for the veterans administration to last it until June 30, but the house swung a heavy economy axe and trimmed the figures to \$136,200,000. However, Taber promised to take another look at Mr. Truman's estimates and said more money would be forthcoming if the agency demonstrated a need.

A black Missouri cow, born in 1920, is believed to be the oldest cow in the United States. She gave birth to her 24th calf recently.

Miss Jane Robinson, consultant in Elementary Education visited in Cameron last week. While here she visited the elementary grades.

Mr. and Mrs. Nolan Dodson spent the past week end visiting friends in Houston.

From where I sit... by Joe Marsh  
**Where Cissy Spent  
Her Honeymoon**  
Most of the young newlyweds in our town spend their honeymoon at Roundstone Lake or Jackson Falls; why the Martins even went as far as New York City.  
But when Cissy Cupper married the young Carter boy, they allowed as how they were going to spend their honeymoon right here.  
"There's no place better than our town," Cissy says. "And I'd like to start married life at home, with things Bud and I are used to."  
Makes sense, come to think of it. Folks naturally left them alone;  
and except for occasional visits to the Garden Tavern for a glass of beer, they stayed at home, getting used to married bliss.  
My missus prefers traveling—and that's her right. But from where I sit, there's no place better for a honeymoon—or second honeymoon—than right at home—with your own possessions, good home cooking, and a friendly glass of beer or two—with the best companion in the world.

THE CAMERON HERALD

FEBRUARY 20, 1947

## RAINFALL DUE TO BE BENEFICIAL HERE

That promised rain due with the norther which struck the city around 9 p. m. Tuesday had not fallen up to 8 a. m. Wednesday and there was a prospect it might not get here at all.

Weather forecasts for Wednesday and Thursday was cloudy and some rain. The weather is due to continue cold through the remainder of Wednesday and through Thursday with rising temperatures. The high for most of North Texas would be around 50 degrees Thursday.

Wednesday night the temperatures would get as low as the mid-thirties. Light rain had fallen in some portions of the state up to Wednesday morning.

Rain is needed to soften top soil in this area. Generally the ground season is above average due to recent excessive rains.

February 1947 has been unusually warm although there has occurred some freezing weather, the lowest temperature being 24 degrees.

If you are planning a week end trip you are promised fair weather. But don't take this too factually and there must be some allowance for that rain which the weather men insist is due and coming.

LET'S TALK AGRICULTURE

By Bill Arthur

Tree pruning should always be done in the dormant season, while the sap is down. The correct way to prune fruit and ornamental trees is to remove all dead, diseased, and injured limbs. Also prune for the desired shape removing all interfering limbs, and down growing limbs. Pruning at this time possibly keeps the trees from putting out as early as it would if it had been pruned early in the winter. Pruning should be stopped before the young buds begin to swell.

Mrs. N. J. Johnson is ill and a patient in the Newton Memorial Hospital.

## Ball and Hodiak In "Two Smart People" At Cameron Thursday

M-G-M, a studio which specializes in introducing new starring teams in its productions, offers screengoers another new one in the romantic drama, "Two Smart People," which opens Thursday on the Cameron screen with Lucille Ball and John Hodiak co-starred for the first time.

The picture is a drama-highlighted story of a suave crook who makes passes at romance while he's being dogged on a 3,000 mile train journey by his nemesis, a New York detective.

Lloyd Nolan, famed for his characterization as Detective Michael Shayne, and last seen as the cop who won Dorothy McGuire in "A Tree Grows in Brooklyn," plays the detective in the new hit.

Gunplay, a New Orleans Mardi Gras and a succession of dazzling gowns created for Miss Ball by Irene are among the highlights of "Two Smart People," which marks the debut as a producer of Ralph Wheelwright, one-time newspaper man who authored "Blossoms in the Dust" and "Thunder Afloat."

The supporting cast features Lenore Ulric, famous Broadway stage star making her first screen appearance in six years as the worldly proprietress of a romantic lodge on the Mexican desert; Hugo Haas, Elisha Cook, Jr., Lloyd Corrigan, Vladimir Sokoloff, David Coat and Clarence Muse.

## World Day of Prayer Methodist Church in Cameron February 21

As has been the custom for the past years a world day of prayer has been set aside throughout the country.

The churches rotate, and the ladies of the church are responsible for the program.

This year the services will be held at First Methodist Church, at 3:00 p. m. Friday, February 21. The ladies of Cameron and Milam Co. are invited, and urgently needed to be present.

## MOB TAKES NEGRO FROM JAIL AND LYNCHES HIM

PICKENS, S. C., Feb. 17 — The knife and shot-punctured body of a 25 year old negro was found today at dawn sprawled on a frosty roadside less than two hours after an armed mob had marched him from a cell in Pickens county jail.

The victim, Willie Earle of Greenville, had been arrested Sunday in connection with the Saturday night stabbing of T. W. Brown, 50-year old Greenville taxi driver, who died today.

Ed Gilstrap, the 62-year old jailer who gives with his family in the lower floor of the jail building, said about 25 gun-bearing but unmasked men came in the darkness and demanded the negro.

Gilstrap and two of the men carrying shotguns climbed the stair to the jail where the other mobsters stood guard among their seven automobiles in the jailyard below.

The aging, turnkey unlocked the cell door and surrendered the slight, black prisoner, and minutes later the motor caravan bearing the two dozen armed white men and their frightened quarry rolled away.

Jailer Gilstrap, who said he didn't recognize any of the men, looked at his watch as the last automobile disappeared. It was 5:05 a. m.

At 6:45 o'clock, a passerby found the negro's body several miles from Pickens, inside Greenville county. Greenville County Coroner J. O. Turner said the body was still warm when he arrived.

At Columbia, Governor Strom Thurmond directed the state constabulary to extend every help possible to Sheriff R. Homer Bearden of Greenville county and Sheriff Raymond H. Mauldin of Pickens county in hunting down the mob members.

"I do not favor lynching and I shall exert every resource at my command to apprehend all persons who may be involved in such a flagrant violation of the law," said Thurmond, a former circuit judge.

## Lt. Herman Gerick Completes Publication Courses In Germany

Frankfurt, Germany—First Lieutenant Herman Gerick, of Cameron, Texas, currently stationed at Eschborn, Germany, has completed the Unit Publications Course at the U. S. Army's Information and Education Staff School in Hoechst, Germany, according to information released by the Office of the Theater Chief, Information and Education Service.

This publications course includes classes in re-writing, copy-reading, proof-reading, headline composition, preparation of a news story and the techniques of writing, all of which are essential in the structure of a successful news publication, the announcement said.

Lieutenant Gerick is a staff member of "The Gateway", unofficial army unit newspaper, published by the 61st Troop Carrier Group of the Army Air Forces at Eschborn, Germany. The Lieutenant has been in the military service since June 1940. During the war he served as a pilot instructor in the Air Force Training Command and has 5 months of overseas duty, the announcement disclosed.

It added that Lieutenant Gerick is a graduate of John Tarleton, Jr. College at Stephenville, Texas, where he majored in social science. Prior to entering the military service, he was employed by the Ford Motor Company at Cameron, Texas.

## Cameron Officers Warn People About Mad Dogs

City Marshal Jim McGoldrick Friday issued a warning to the people about mad dogs in the city.

During recent weeks dogs affected with rabies have been killed here and at least one man has been bitten.

Accordingly Mr. McGoldrick warns that all dogs found on the streets without vaccination tags will be disposed of. Each year the city issues notice that dogs must be vaccinated against rabies according to city ordinance.

Mr. McGoldrick said he would give the people a few days warning. This matter is of utmost urgency. Veterinary men are on the job now.

## Want Ads Get Results!

## CO-OP HOSPITAL IS DUE FOR OPERATION SALADO

BELTON—A charter has been granted and a permanent board of directors elected for the Centex Co-Operative hospital association. The proposed hospital plant which will serve rural families of this area, will be located in or near Salado by a vote of 172 to 2 at a membership meeting at Salado recently.

The board of directors named at the meeting are T. W. Hander, E. W. Guest, Fred Harrison, B. J. Evans, Earl D. Casey, A. P. Capps, Paul Pirtle, Frank Kraner, and H. P. Stanford.

The new board of directors is making tentative plans for a \$100,000 institution owned by 1000 family members with a life membership of \$100 each. Membership fees will go to construct physical facilities and maintenance will be supported by annual fees and dues. Non-member families will also be served as far as facilities make it possible. The hospital will be open to any doctor who wishes to bring his patients in for medical treatment, major or minor surgery and members have the privilege of using doctors not on the Co-Operative hospital staff, according to H. W. Hander, board member.

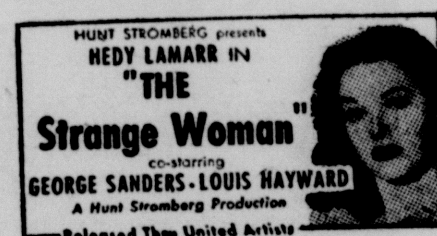

"The idea hinges around prepaid medical service that will give rural families health protection and security that are not available," Hander said. The enabling act passed by the 49th Texas legislature made it possible for rural people of Texas to set up health centers of this nature in communities of 2500 population or less.

A stand of cotton is stronger than a thread of wrought iron of the same size.

## IT'S EASY TO FOLLOW THE ROW

## ...IF YOU LOOK AHEAD

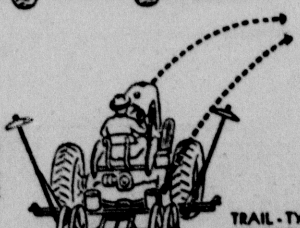

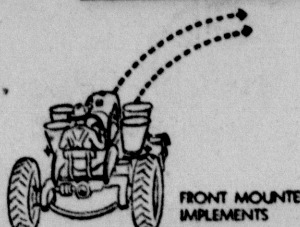

The new Allis-Chalmers Model C Implements are mounted on the tractor, well forward and ahead of the driver's seat. You can aim them like a rifle down the row.

Particularly in planting or cultivating on the contour, you find out what a tremendous advantage this is. FRONT-MOUNTED IMPLEMENTS follow the curve, unlike trailed implements which characteristically tend to cut the corners.

This is an advantage, too, in turning at the ends. Front-mounted implements follow the row nearly to the fence.

Fertilizer attachments are also up front, easy to watch. Handy dual levers control the depth of right and left gangs, independently of each other. A convenient and efficient Hydraulic Lift operates at a finger's touch.

LOOK AHEAD in comfort. "Foresight is easier than Hindsight," the Allis-Chalmers way.

# FUNERAL FOR H. GREEN WILL BE HELD AT LIBERTY

Henry Green, Sr., 81, who died at his home in Cameron Friday, February 14, will be buried at Liberty at 2:30 p. m. Sunday, February 16, with services in the Liberty Church to be conducted by Rev. Clarence

WALLACE  
AND  
WALLACE  
ATTORNEYS AT LAW  
Over First National Bank  
Cameron, Texas

Mowdy of the Full Gospel Faith. Henry Green, Sr., was born May 18, 1866 in the state of Missouri. He moved to Texas at an early age. He was married to Miss Tiny Bourland in 1888 and spent the major portion of his life farming in Milam and Hill counties. He was a member of the Full Gospel church in Cameron. He had been a resident of Cameron for the past 19 years.

Surviving are his widow, four daughters, Mrs. Mindie Noey and Mrs. Bessie Shirley of Cameron, Mrs. Ione Treadaway, Texas City, and Mrs. Della Schostag of Glidden; 3 sons, Curtis Green, Ned Green and Henry Green, Jr., all of Cameron. Also 32 grand children and a number of great grand children survive.

The body will remain at the Green Funeral Home until the funeral hour on Sunday and the Green Funeral Home will direct arrangements.

Phone your news items to 282.

# LONE BANDIT FREELY ADMITS HIS CRIMES

Walter Glen Ransom smilingly admitted to officers and reporters today the robbery of a Waco grocery store and a series of automobile thefts in his four-day crime orgy in Northeast Texas.

But the 23-year-old former resident of Edinburg, Tex., captured yesterday in Fannin county as the climax of a huge manhunt, denied that he kidnaped two Bogota, Tex., brothers from whom he took one of the five cars stolen during his hare and hounds game with officers.

He was brought here from Bonham where he surrendered yesterday, to answer charges of stealing a taxicab and an automobile in a wild flight through northeast Texas. He admitted that a bullet fired by an of-

ficer in a mad chase through downtown Greenville grazed his chin.

Two other charges were filed during the day in towns in which he was alleged to have committed robberies. At Waco the 23-year-old prisoner was charged with robbing the Clark Grocery Company and several employes and customers of \$1,000 last week.

Red River county officials filed at Clarksville a holding charge alleging theft over \$50. A charge alleging armed robbery was being prepared and a charge of kidnapping also might be filed.

The kidnaping charge was being considered in connection with the abduction of two brothers at Bogota. The brothers, filling station operators, were forced by a youth to drive him to Paris where he released them and continued his flight in their car. Sheriff Dick Wait of Bonham said Ransom denied the Bogota crime.

He wants to question the youth about two burglaries in Mount Pleasant, two burglaries at Talco and the theft of two automobiles from a convoy west of Mount Pleasant. Drivers of the convoy were robbed of \$90.

Sheriff Fayt Clifton filed the auto theft charges. They alleged that the youth stole a Yellow Cab in his flight through Greenville. It was abandoned at nearby Commerce where another automobile was stolen from Homer Clifton. The fugitive dropped two guns when he was almost cornered.

Victims of the Waco holdup identified a picture of Ransom as the man who committed the robbery.

The Minnesota parole board reported that Ransom was paroled to his father at the latter's request last December 5 to work on the family farm at Arkadelphia, Ark. He was serving five to 40 years for first degree robbery.

# Sam Clark of Yarrellton One of Men Responsible New Road Construction

Through an oversight the name of Sam Clark of Yarrellton, was omitted from the news story published in the daily and weekly Herald following the commencement of construction on the new road from Splawn to Yarrellton.

Mr. Clark and Jim Mann of the same community, contacted the land owners along the route of the new road and were successful in getting the lands donated and where the owners pay they were also instrumental in getting citizens to contribute money.

As one of the men directly responsible for the new road Mr. Clark deserves much praise. The news story was written by The Herald and the error of omission is the newspaper and not anyone else.

Work has been started on the new road.

Mrs. Richard Jistel shopped in Cameron recently.

# THE CAMERON HERALD HALF MILLION FEDERAL JOB HOLDERS TO LOSE

The house-senate budget committee voted 50 to 22 today to slash \$6,000,000,000 from President Truman's \$37,500,000,000 budget for the fiscal year beginning July 1.

It thus overrode army and navy protests that cuts in their funds would endanger national security and in the words of Chairman Knutson (R-Minn) of the house ways and means committee, cleared the way for a 20 per cent cut in individual income taxes.

The reduced figure of \$31,500,000,000 is not necessarily the amount that will be made available for the next fiscal year. It amounts to a suggested ceiling, but congress is not bound to stay within it. It contemplates removal of at least 500,000 civilian workers out of the 2,300,000 on government payrolls.

The committee rejected all efforts, including a plea by Senator Taft (R-Ohio), to hold the budget reduction at a figure which would take fewer dollars from the \$11,200,000,000 that President Truman requested for the army and navy.

Chairman Gurney (R-SD) of the senate armed services committee fought the huge slash doggedly in and out of committee. He told re-

porters it would take \$1,750,000,000 from the army and navy and "I refuse to vote for any thing that will hamstring our armed forces while the peace of the world is unsettled."

Prior to the committee session, General Dwight Eisenhower, chief of staff, and heads of the army and navy, backed by President Truman, had pleaded against cutting the armed forces budget.

At the regular meeting of the Commissioners Court Thursday, Brice McClellen was appointed as County Service man, taking the place made vacant of the former service man, Jess Thompson.

SI-C Milton Jistel has returned to his base in Jacksonville, Florida, after visiting his parents here, Mr. and Mrs. A. L. Jistel.

SIZING CHART  
for automatic storage gas water heaters

Number Bathrooms	Number Bedrooms	Storage Capacity Gallons
1	1 or 2	30
1	3 or 4	40
2	2 or 3	40
2	4 or 5	50
3	3	50
3 or 4	4 or 5	75

Use Sizing Chart

Know what is the correct size automatic gas water heater for your needs when talking with your appliance dealer or plumber. Use above "Sizing Chart."

"NOTHING TO IT  
IF YOU HAVE  
LOTS OF  
HOT WATER"

That acre of dishes which the average family dirties-up each year is a big clean-up job for someone. But with plenty of hot water "there's nothing to it." Whether you have one of those do-everything automatic washers or do the job by hand, the gas automatic water heater is the only answer to the modern household's need for hot water.

Remember, dish washing is just one of the many modern hot water needs. Add to it the dozens of house-cleaning tasks, baths, showers, shaves, laundry and cooking needs. Considering all these needs, it's easy to see why the reliable, economical gas automatic water heater is the only answer. In modernizing your hot water service, make sure your new heater is sized to your family needs and has a rust-proof tank made of copper, monel or glass.

## MILANO NEWS

Mrs. J. D. Peebles had a narrow escape from a serious accident Saturday afternoon when her car was struck by a passing Santa Fe train at a crossing in Milano. The engine and car was badly damaged. Mrs. Peebles was not hurt, she did not see the train in time to avoid the accident.

Mr. and Mrs. Monroe Pierce and children of Houston spent the weekend in the home of their parents.

Mrs. Ray has returned from Houston where she went to Welcome a new grand child the little daughter of Mr. and Mrs. Ray Netherlin.

Mrs. Laura Stevenson is a guest in the home of her daughter, Mrs. Collie Gerdes and family at Caldwell.

Mrs. Jessie Moreland and Mrs. Lee Braun shopped in Temple Saturday.

The little daughter of Mr. and Mrs.

Elmer Russell was carried to Galveston Thursday for treatment of her eyes.

Mr. and Mrs. G. W. Gilliland plan a few days visit soon with their children at Engleside.

Mrs. J. B. Layne of Jacksonville visited her grandparents, Mr. and Mrs. W. E. Thomas last week.

Curtis Miller underwent an appendicitis operation last week. He is improved and has returned to his home Sunday.

Mrs. Ralph Brannon spent the weekend with her husband in Houston.

Several of Milano ladies met in the home of Mrs. L. B. Dukes recently and quilted a quilt and gave it to Mrs. Lucille Wadlington who had the misfortune several weeks ago for her home to burn with all its furnishings. Another quilt will be made for her this week in the home of Mrs. Lyod Fergusson.

Several from Milano attended the singing Convention in Salty Sunday.

## Miss Polly Ford Weds Randall P. Sparks In Houston Ceremony

The marriage of Miss Polly Ford, daughter of Mr. and Mrs. Joe Ford of Cameron, to Randall P. Sparks, son of Mr. and Mrs. B. I. Sparks of Houston, was solemnized Wednesday morning by Dr. E. H. Westmoreland at the First Methodist church in Houston.

Herbert Rohloff and Miller V. Sparks, brother of the groom, provided the music for the ceremony which was performed in the presence of the immediate family and a very few close friends. White cathedral tapers lighted the setting which was adorned with white gladioli, carnations and stock.

Mrs. Fern Divelbiss who served as matron of honor wore a honey color suit with black accessories and a corsage of rose hued carnations.

Garland C. Sparks attended his brother as best man.

A white wool suit with a hat of white plumes adorned with a black veil and black accessories was chosen by the bride for the occasion. Her corsage was of orchids.

The bride's mother was attired in a beige suit with brown accessories and a corsage of bergundy carnations and the groom's mother chose navy blue with white carnations.

Mr. Sparks and bride left for a wedding trip to Dallas after which they will make their home in Houston.

## Demonstration Club At Hoyte Holds Meeting

The Hoyte Home Demonstration club met in the home of Mrs. Hugh Wimberly, Tuesday afternoon at 2 o'clock.

The club was called to order by the president, Mrs. Frank Hanel and the minutes were read by the secretary and treasurer, Mrs. Virgil Coward.

After the business session, Miss Johnson, home demonstration agent, discussed landscaping. It is never good taste to set out trees or shrubs too close to the house and walks or in a straight line. It is best to put roses and other flowers in a bed rather than plant them among the shrubbery around the house. Be sure to have a convenient driveway with room for turning and walks from driveway to the house in back as well as in front.

Refreshments of sandwiches, potato chips, cookies, candy, cocoa and coffee was served to nine members and one visitor. We were glad to have Mrs. M. L. Waller of Milano as a new member and Mrs. Severs as a visitor. The next meeting will be with Mrs. Virgil Coward, February 25.

## CHRISTIAN SCIENCE SERVICES

"Mind" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, February 23.

The Golden Text is: "O the depth of the riches both of the wisdom and knowledge of God! how unsearchable are his judgments, and his ways past finding out" (Romans 11:33).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Great is our Lord, and of great power: his understanding is infinite" (Psalms 147:5).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Infinite Mind is the creator, and creation is the infinite image or idea emanating from this Mind" (page 256).

Mr. and Mrs. A. C. Odom of San Gabriel made a business trip to Cameron recently.

ATTENTION, MOTHERS! If looking for a better remedy for Children's Cough Colds try Durham's Nu-Mo-Kub, the new Eucalypt-Camphor treatment. Remember—double the purchase price refunded if you do not find this Modern Chest Rub more effective—35c and 60c at

NEW CAMERON DRUG CO.

## Lemon Juice Recipe Checks Rheumatic Pain Quickly

If you suffer from rheumatic, arthritis or neuritis pain, try this simple inexpensive home recipe that thousands are using. Get a package of Ru-Ex Compound, a 2 weeks' supply today. Mix it with a quart of water, add the juice of 4 lemons. It's easy, pleasant and no trouble at all. You need only 3 tablespoonfuls two times a day. Often within 48 hours — sometimes overnight — splendid results are obtained. If the pains do not quickly leave and if you do not feel better, Ru-Ex will cost you nothing to try as it is sold by your druggist under an absolute money-back guarantee. Ru-Ex Compound is for sale and recommended by

## NOTICE To The Public

All of the land which I own or have rented in Milam County is being and will continue to be poisoned against grasshoppers, other insects, and other pests until March 1, 1947. My land is posted according to the requirements of the law. The poison will be dangerous to depredating livestock (cattle, horses, mules, sheep, goats, and or hogs), and I hereby warn that I will not be responsible for the harm done to any livestock trespassing on my land.
